RECEIVED
MAY 10 1960

TO THE DIRECTOR
OF THE NATIONAL BUREAU OF STANDARDS
WASHINGTON, D. C.

FROM
DR. ROBERT M. HAYES
CHICAGO, ILLINOIS

RE
SOLUBLE POLYMERIZATION OF VINYL MONOMERS
BY MEANS OF A CATALYST

Enclosed for the Bureau are two copies of a report on the
soluble polymerization of vinyl monomers by means of a catalyst.
The report is a preliminary report and is intended to provide
a basis for further work in this field.

Very truly yours,
Robert M. Hayes

[Illegible text block]

[Illegible text block]

The following text is extremely faint and illegible due to the low resolution of the scan. It appears to be a list or a series of entries, possibly names and dates, arranged in a structured format. The text is organized into several lines, with some lines appearing to be separated by small gaps or spaces, suggesting a list-like structure. The content is too blurry to transcribe accurately.

The bottom section of the page contains additional text, which is also illegible due to the same quality issues. It appears to be a continuation of the list or entries from the middle section, with some lines being more distinct than others. The overall layout suggests a formal record or a collection of names and dates.

Very faint, illegible text block, possibly a list or a series of short paragraphs. The text is too light to be transcribed accurately.

The text in this section is extremely faint and illegible. It appears to be a large block of text, possibly a paragraph or a list of items, but the characters are too small and blurry to read.

The text in this section is also extremely faint and illegible. It appears to be a smaller block of text, possibly a caption or a short note, but the characters are too small and blurry to read.

The following text is extremely faint and illegible due to low resolution and high contrast. It appears to be a list or a series of entries, possibly a table of contents or a list of items, but the specific details cannot be discerned.

The bottom section of the page contains several lines of text, which are also illegible due to the same quality issues. There are some dark, irregular shapes that could be interpreted as marks or artifacts on the page.

Text block containing several lines of illegible text.

Text block containing several lines of illegible text.

Text block containing several lines of illegible text.

The following text is extremely blurry and illegible. It appears to be a list or a series of entries, possibly related to a technical or scientific study. The text is organized into several paragraphs, with some lines appearing to be bolded or indented. Due to the poor quality of the scan, the specific content cannot be transcribed accurately.

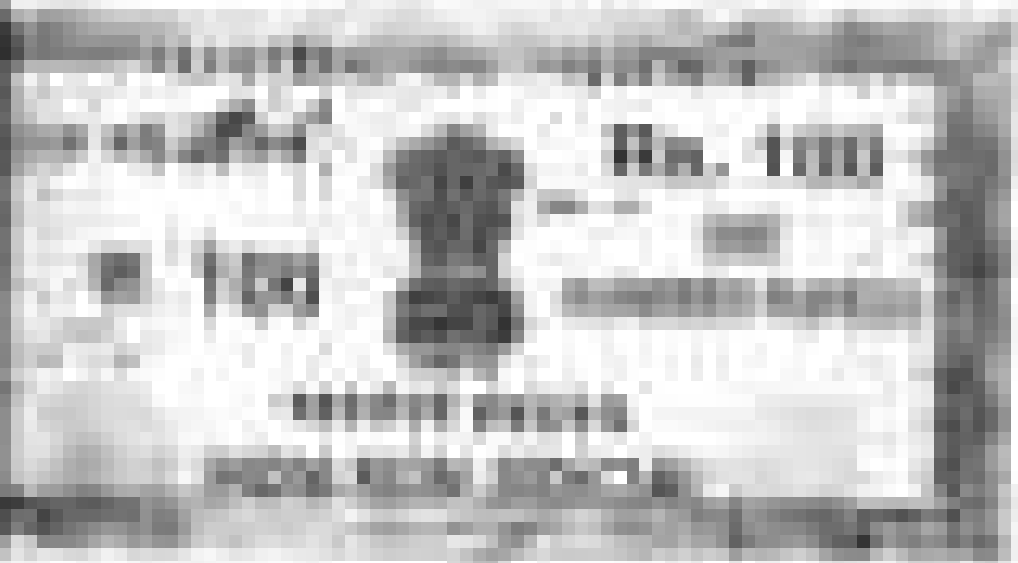

The following text is extremely blurry and illegible. It appears to be a list or a series of entries, possibly a table of contents or a list of references. The text is arranged in a vertical column and is separated by horizontal lines. Due to the low resolution, the specific content of the text cannot be discerned.

THE HISTORY OF THE UNIVERSITY OF CHICAGO

The University of Chicago was founded in 1890 as a result of the merger of the University of Wisconsin and the University of Michigan. It was the first American university to be founded as a research university. The university's early years were marked by a focus on research and scholarship, and it quickly became one of the leading universities in the world. The university's growth was rapid, and it soon became one of the largest and most influential universities in the United States. The university's reputation for excellence in research and scholarship has made it a leading institution in the world, and it continues to be one of the most respected and influential universities in the United States.

The following text is extremely faint and illegible due to the low resolution of the scan. It appears to be a list or a set of notes, possibly related to the photograph above. The text is arranged in several lines and paragraphs, but the individual words and sentences cannot be discerned.

The following text is also extremely faint and illegible. It appears to be a continuation of the text above, possibly a list or a set of notes. The text is arranged in several lines and paragraphs, but the individual words and sentences cannot be discerned.

The photograph above depicts a man in a dark suit and white shirt, standing against a light background. The image is framed by a thick black border. In the upper left corner of the frame, the number '100' is printed in a large, bold font. Below the photograph, there is a block of text, which is mostly illegible due to the low resolution of the scan. The text appears to be a caption or a short biography related to the man in the photograph.

Below the main text block, there are several lines of smaller text, possibly a list of names or a detailed caption. The text is too blurry to read accurately but seems to be organized into a structured format, perhaps a list of names or a table of contents.
