TOILET

The image shows a double door for a toilet. The doors are white with a silver frame. The top of the wall above the door has the word "TOILET" written in red. The doors feature the Alstring logo, which consists of the word "ALSTRING" in red with a blue horizontal bar through the middle of the letters "R" and "I". The text "ALUMINIUM PARTITION PANEL" is printed vertically on both sides of the doors. In the center of each door, there is a red-bordered box containing the text "© Toll Free 1800-102-3838". At the bottom of each door, there is a small box containing the website "www.alstringindia.com" and the text "An ISO 9001:2015 Certified Company". Arrows are printed on the doors: a blue arrow pointing left on the top-left panel, a black arrow pointing right on the top-right panel, a black arrow pointing left on the bottom-left panel, and a black arrow pointing right on the bottom-right panel.
