better productivity, efficiency, aggrandizement of mental power, rational thinking etc. it is felt that adequate educational infrastructure and it means are not available to common people with the result the whole society is affected. At the same time it is being endeavored to impart pragmatic, rational, scientific, progressive education to the have notes, Scheduled Cast, Scheduled tribe and other backward people and minorities, etc. The settler feel that correct and suitable education in the panacea for all miseries, superstition, false consciousness, exploitation, untouchability, hypocrisy, inferiority.

5. Complexes and all kind of ignorance and suffering. Once true knowledge dawns upon any human being, he does not need any other kind of help because such person can overcome all kinds of problems and difficulties in and around him. In order to achieve these objectives, the institution building is imminent in addition to other allied activities. This can also promote the teaching of rights consciousness.

Aims and Objects:-

1. To established Public Schools at various places in order to impart modern and useful education to children belonging to have notes, SC, ST, OBC & minorities castes. However standardization of school would depend on areas any background of children from where they come but without compromise at the cost of education.
