Subject : Submission of Demand Draft for Pharmacy Education Regulatory Charges –
Session 2023-24 of our college Lokman Singh College OF Pharmacy (PCI-4591)

Dear Sir,

I hope this letter finds you in good health. I am writing to update you on the status of the submission of the Demand Draft (DD) for the Pharmacy Education Regulatory Charges on behalf of Lokman Singh College of Pharmacy (PCI-4591) for the academic session 2023-24. As we have previously communicated through emails, we have encountered persistent technical issues with the PCI Portal's online payment system, which have hindered our ability to process the payment through the portal.

Lokman Singh College of Pharmacy remains deeply committed to upholding the highest standards of pharmacy education and adhering to all regulations set by the Pharmacy Council of India. Despite the challenges posed by the online portal, we have made every effort to ensure timely compliance with the required fees for the upcoming academic session.

To address the ongoing technical issues, we have prepared a Demand Draft (DD) in the amount of Rs 118,000, corresponding to the prescribed Pharmacy Education Regulatory Charges. The DD has been drawn from [Bank Name] and is dated [DD Date]. The particulars of the DD are as follows:

Demand Draft Number: 010034

Amount: Rs 118,000/-

Date: 08/08/2023

Drawn on: HDFC BANK LTD

Payable at: New Delhi

In favor of: Pharmacy Council of India

We understand the significance of these regulatory charges in sustaining the quality of pharmacy education and professional standards. We are resolute in our commitment to meeting these obligations and maintaining our collaborative relationship with the Pharmacy Council of India.

As previously indicated in our emails, we have already apprised your office of the challenges we encountered with the online portal. We have taken all necessary steps to ensure that the required documents, including the original Demand Draft, are prepared for submission.

We kindly request your understanding and cooperation in facilitating the processing of the fee payment through this alternative method due to the ongoing technical issues. We acknowledge and appreciate the responsiveness and support your office has shown in addressing these matters.

Thank you for your attention to this matter. We eagerly await your guidance on the next steps to successfully complete the submission process for the Pharmacy Education Regulatory Charges for Lokman Singh College of Pharmacy.

Yours sincerely,
