

Institute Name- Mahamaya Polytechnic of Information Technology Kaushambi  
 Budget Estimate -Tool Equipment/ Books/ Computational Facilities etc.

| S.N. | Tool Equipment/Lab Name                | Amount (according to bte list) INR. |
|------|--|-------------------------------------|
| 1    | Applied Chemistry Lab                  | 116105.00                           |
| 2    | Applied Physics Lab                    | 61970.00                            |
| 3    | Workshop Practice                      | 1000000.00                          |
| 4    | Thermal Lab                            | 329000.00                           |
| 5    | Hydraulics Lab                         | 574450.00                           |
| 6    | Mechanics of solids lab                | 853900.00                           |
| 7    | Metrology Lab                          | 248500.00                           |
| 8    | E.T.E Lab                              | 140600.00                           |
| 9    | Mechanical Workshop Lab                | 4030000.00                          |
| 10   | Paint Making Lab                       | 6000.00                             |
| 11   | IPPT Lab                               | 135835.00                           |
| 12   | Drying oil and paint media lab         | 7000.00                             |
| 13   | Unit operation lab                     | 1519600.00                          |
| 14   | Automatic process control lab          | 273800.00                           |
| 15   | EPTQC Lab                              | 181000.00                           |
| 16   | Energy conservation lab                | 270000.00                           |
| 17   | Computational facilities(Computer lab) | 7200000.00                          |
| 18   | Library books                          | 550000.00                           |
|      | TOTAL                                  | 17497760.00                         |
|      |  | APPROX 175 LAKH                     |
