Subject: Regarding resignation from the institution

Dear Sir

I am resigning from my position as lecturer for Institute of pharmaceutical sciences and research from 30th June 2017 although I am on leave from 4th April 2017.

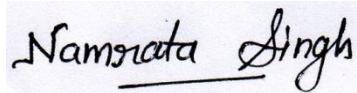

Currently I am Working as Asst Professor in Goel Institute of Pharmacy and Sciences since 1st July 2017.

IPSR has remained an important part of my life ever since I began working here a year ago. My reason for leaving is nothing but personal. I enjoyed teaching to my students and I believe I cannot get this precious experience from anything else.

Thank you for giving me a chance to work at IPSR. The experience I have gained here is something I will cherish forever. Thank you very much.

Thanking You

**Yours Sincerely**
