For the Year 2018-19, the University has decided to implement the following scheme for the Final Year (2018-19) of the Bachelor of Pharmacy (B.Ph.) programme. The scheme is as follows: The Final Year (2018-19) of the B.Ph. programme will be completed in two semesters. The first semester (2018-19) will be completed in the month of June/July and the second semester (2018-19) will be completed in the month of December/January. The marks obtained in the first semester will be carried over to the second semester. The marks obtained in the second semester will be added to the marks obtained in the first semester to give the final result. The final result will be declared in the month of June/July. The marks obtained in the first semester will be carried over to the second semester. The marks obtained in the second semester will be added to the marks obtained in the first semester to give the final result. The final result will be declared in the month of June/July. The marks obtained in the first semester will be carried over to the second semester. The marks obtained in the second semester will be added to the marks obtained in the first semester to give the final result. The final result will be declared in the month of June/July.
