TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Surendra Pratap Tiwari is working as a Part-time Lecturer in the Division of Biochemical Engineering for about six months. He is efficient in teaching the Bioprocess Engineering, Biological Waste Treatment, Enzyme Engineering, Industrial Fermentation, Microbiology, Biochemistry and Life Science Subjects to the Under-graduate engineering students.

I have found in him a devoted teacher with sound background of the subjects. He satisfies students in theory as well as in laboratory classes.

I wish him all success.
