## WISCONSIN PHARMACY COUNCIL

The Wisconsin Pharmacy Council is a non-profit organization that represents the interests of pharmacists and the public. We are committed to the highest standards of pharmacy practice and to the advancement of the profession. We work to ensure that the public has access to safe, effective, and affordable medications. We also work to ensure that pharmacists are able to practice their profession in a safe and secure environment. We are proud to be part of the Wisconsin community and to serve the needs of our members and the public.

Our members include pharmacists, pharmacy students, and pharmacy technicians. We provide a variety of services to our members, including advocacy, education, and networking. We also provide a variety of services to the public, including advocacy, education, and networking.
