RELIEVING CUM EXPERIENCE CERTIFICATE

I am writing to verify that Prof. Dr. Divyash Singh employed as Director (Yashraj Institute of Pharmacy) since 01 July 2020 to 06 November 2023 at our College.

On top of his regular classes an extra circular book club to encourage students to read more on their own time and enjoy literature without the pressure of curriculum. It was a huge success and no doubt played a role in his classes excelling in exams.

Prof. Dr. Divyash Singh will be a true asset wherever she chooses to teach in the future.

We wish him all the success in future life in whatever endeavor, she wishes to undertake.
