

PUBLICATIONS (RESEARCH)

- Synthesis and pharmacological screening of some novel benzoxazole Derivatives Published in Der Pharmacia Lettre, 2014, 6 (6):283-288
- Formulation and characterization of fast dissolving tablet of domperidone Published in Pelagia Research Library Der Pharmacia Sinica, 2015, 6(9):21-28
- Study the modern biochemical analysis techniques of proteins and alkaline phosphatase enzyme system from biological sample chicken liver J. Microbiol. Biotech. Res., 2015, 5 (1):45-55
- Formulation optimization and characterization of fast dissolving oral film of domperidone Published in Journal of Drug Discovery and Therapeutics, JDDTBP Volume 3, Issue 32, September, 2015, 15-20
- Cardioprotective activity of *Nelumbo nucifera* rhizomes in isoproterenol induced myocardial necrosis in male wistar rats Published in Journal of Chemical and Pharmaceutical Research, 2015, 7(6):627-642
- A brief study on *Strebulus asper* L. -A Review Published in Research Journal of Phytomedicine 01[02] 2015.
- Formulation development and characterization of alginate beads of ranitidine hydrochloride Published in Pelagia Research Library Der Pharmacia Sinica, 2015, 6(11):1-7
- Vasaka – A boon to the Indian traditional system of medicine, Published in JMPAS, 2021, V1013.1167

EXTRA CURRICULAR ACTIVITIES

- Participated in blood donation programme organized by CSMMU, Lucknow.
- Organize and participate in several cultural programs at college level.
- Participated in NCC camp organized by Indian army, and got "A" Certificate.
