Section 2: Objectives

The primary objective of this study is to analyze the impact of the proposed changes on the organization's performance and employee satisfaction.

Key objectives include:

- 1. To identify the strengths and weaknesses of the current system.
- 2. To evaluate the effectiveness of the proposed changes.
- 3. To assess the impact of the changes on employee satisfaction and productivity.
- 4. To determine the feasibility of the proposed changes.
- 5. To provide recommendations for the implementation of the changes.

The study is organized as follows:

1. Introduction

To: The Director

50 College of Pharmacy

Guwahati, Assam, India

Subject: Request to join Assistant Professor at
your college after job approval.

Respected Sir,

I am writing to inform you about my present
job. I have been working as an Assistant Professor at
College of Pharmacy, Guwahati, Assam, India since
2018. I have been working as an Assistant
Professor at your college after receiving
approval and application respectively from
University Council of India, Guwahati and
UGC, India.

Yours faithfully,
