other words repeat them often. At first, such actions will offend me, but you will see over time they become more natural as you begin to see the value in writing them often. Once you've learned to write them down try not to let them go for long, because they often need some of your writing and editing skills to make them good. This is why I recommend you keep a journal or a blog where you can write down the details of what you do every day. It's easier to go back and look at what you did yesterday than it is to go back and look at what you did a week ago.

Page 14-15-1600 of this record will be sent to you at the address given in figure 1. Please return all returns back where we can receive them at 200-21 Big Bear Rd and at your earliest convenience. Thank you for your prompt action.
