He is participating in U-11 Mini State Badminton Championship competition scheduled on 25th September 2023 at Saharanpur. As Currently half year Exams are going on in school and on 25th September he has exam of English subject.

Due to this scenario ,I request you to kindly grant him permission for appearing in 25th September 2023 exam on some other scheduled day so that he can participate in the competition and his study credentials also not get affected due to the participation. I anticipate a positive response in this regard.
